

openday - masters

# open day - masters campaign

the concept represents the (at that time) five masters of Minerva Art Academy. five spirited communities which meet on a common ground, the lively and organic space the Academy has to offer.

they might take different paths, but at their core they all share the same passion and desire to express themselves.

this project is a way in which i introduced,  
through a medium of choice, two persons  
to each other, without them ever meeting in real life.

just be

what stands at the base of everything? of you, of the people, objects around you? at a tiny level we are all made of atoms with subatomic particles orbiting around their centre. so let's just be.
